

Academic Summer Camp 2016

July 4th - August 19th

Survivor

The week starts with our very own tribal council! We will be divided into two camps. Obstacle courses, relay races and skill testing activities await you! Cool off with a trip to Domaine de Rouville beach. The week will end with our very own luau! Don't forget your grass skirt and lei!

Superheros

Wham! Bam! Pow! So you think you have what it takes to be a superhero? Create your very own superhero persona and dress the part. Be prepared for anything that comes your way! Uh oh! Watch out for evil villains! Test your abilities at Parc Exalto.

Imaginarium

Come and explore a new world of creativity! Enter a land beyond your wildest imagination. Test your luck as you try to make it through our lifesize candyland board game, and create your own ice cream flavour. Become an inventor at Montreal's Fabrik Creativity Factory!

Themes

Let's Celebrate!

Get ready to party! All of your favourite days of the year are condensed into one week of fun! Christmas, Valentine's, Thanksgiving, Easter and unbirthdays too! Let's have a gift exchange, design an ugly t-shirt, embark on an egg hunt and enjoy a potluck meal. Our week will be topped off with a trip to Atrium skating rink!

Things that go bump in the Night!

Creepy, crawly, squirmy, wormy, and jiggly, wiggly! Grab your flashlight and go on a weeklong adventure that is not for the faint of heart! Come enjoy spooky stories under a blanket, build a giant fort and scoff some popcorn under the stars at our movie in the park!

*All of the outings are subject to change according to the number of children registered, weather conditions and availability.

Science & technology,
Robotics, Cooking,
Art History and
more!

High School Preparation Courses

These courses are available for students who are currently in grades 5 & 6.

High School Preparation Courses run from August 8 to August 19. These courses are great to ensure that your child is ready to write the High School entrance exams or brush up on Language and Math Skills before starting High School in September.
