Art	2 hours	-	2 hours	-
Ethics	1 hour	-	1 hour	-
Physical Education	2 hours	2 hours	2 hours	2 hours

### Arts

ÉMIM is proud to offer visual arts and music; these courses are taught by qualified specialists. Drama is taught by the homeroom teacher. Dance is offered as an extra curricular activity.

The Ministry of Education requires us to teach two of the four arts only: drama, visual arts, dance, and music!

### STEM

Science and Technology classes are not mandatory for Cycle 1 students. For Cycle 2 and 3 students, the Ministry of Education only suggests that we teach the course.

ÉMIM follows the science and technology program but also offers an enriched STEM program which includes: science, technology, engineering, and mathematics. This is available for both daycare and elementary children.

### Physical Education

Wow! ÉMIM certainly offers a rich physical education program! We offer two hours of physical education which include various activities, games, and traditional sports. We also offer snowshoeing, swimming, and tennis! The Ministry of Education recommends that we should offer two hours of physical education a week.

	Cycle 1	Cycle 2 & 3
Total number of French teaching hours	18 hours	17 hours
Total number of English teaching hours	11 hours	12 hours

Throughout the primary years, students participate in lessons, activities and workshops that turn them into strong readers and writers. They possess and master a variety of reading and writing strategies that enable them to understand language and express themselves confidently!
